Continuation of 2. NOTE: The concept of manufacturing is new to the specification and among other considerations, introduces the concept of large scale production. Applicant agrees to this concern as noted in the instant response, page 7 lines 24-25.

Continuation of 5. does NOT place the application in condition for allowance because: prosecution of an application is concluded with the final action (MPEP 714.12). The proposed amendments involve new matter, new revisions and will require analysis or searching which is beyond that of a cursory review.
